Kendra. She is scheduled to take it August 20 and does not deploy until August 24. Therefore. Unless something changes she should be able to deploy. I do understand that her approve is based on completion of Cpr/first aid. Thanks

Barbara

Have you been cleared by your supervisor to deploy in support of the GKM spill?

Go through the prescreen procedure through Kendra Gomez and Nurse Michael upstairs. When I get clearance from Kendra, we'll assign a mission to you for immediate deployment.

I could be available starting Aug, 24th but would need to complete the physical before leaving on a business trip Aug. 20-21.
